Applications are invited from qualified candidates who wish to be considered for appointment as Engineer/Senior Engineer (Civil) in the Traffic Management and Road Safety Unit of the Land Transport Division of the Ministry of Public Infrastructure and Land Transport.

II. AGE LIMIT

Candidates, unless already in the Service, should not have reached their 40th birthday by the closing date for the submission of applications.

III. QUALIFICATIONS

Candidates should -

a) be registered as Professional Engineer (Civil Engineering) with the Council of Registered Professional Engineers of Mauritius under Section 13 of Act No. 49 of 1965, as subsequently amended; and

b) be computer literate.

NOTE

1. Candidates should produce written evidence of knowledge claimed.

2. Candidates should submit a copy of their registration as Professional Engineer (Civil Engineering) together with their Application Form.

3. The onus for the submission of written evidence of knowledge claimed rests on the candidates. Applications will not be considered in case of non-submission of written evidence of knowledge claimed, by the closing date.

4. Candidates may be required to sit for a written examination as part of the selection process.
5. The Commission reserves the right:
   (i) to convene only the best qualified candidates for interview; and
   (ii) not to make any appointment following this advertisement.

IV. DUTIES AND SALARY

1. To be responsible for the design, execution, supervision, monitoring and management of the implementation of road traffic and road safety projects and schemes as well as civil and highway engineering projects executed by either private contractors or in-house.

2. To guide, supervise and co-ordinate the work of the team under his responsibility.

3. To guide graduate engineers posted in the Ministry in their professional training.

4. To work in collaboration with other Engineers and officers working in the Unit as well as in the Ministry.

5. To advise other Ministries and Departments on matters relating to highway engineering, road traffic and road safety.

6. To conduct and participate in meetings/committees including those on sites, as and when required.

7. To certify claims for payment relating to civil works, and traffic and road safety schemes.

8. To prepare project write-up and tender documentation and evaluate tenders in accordance with the Public Procurement Act, regulations and guidelines.

9. To assist in the training of staff.

10. To prepare and submit progress reports, technical papers and any other written information to the Principal Engineer, as and when required.

11. To assist the Principal Engineer in taking decisions for the implementation of traffic management/road safety measures as well as civil and highway engineering projects.

12. To assist the Principal Engineer in the preparation of budget estimates for projects/schemes in traffic management/road safety as well as civil and highway engineering projects.

13. To ensure that the approval of the Client Ministry has been obtained prior to project implementation.
14. To submit factual materials/information related to traffic management/road safety to the Director (Civil Engineering), as and when required.

15. To perform all IT related duties.

16. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from Engineers/Senior Engineers (Civil) in the roles ascribed to them.

The permanent and pensionable post carries salary in scale Rs 29,400 x 775 – 32,500 x 925 – 37,125 x 1,225 – 40,800 x 1,525 – 49,950 x 1,625 – 62,950 a month plus salary compensation at approved rates.

V. FRINGE BENEFITS

Engineer/Senior Engineers (Civil) are entitled to the following benefits:

a) 100% duty remission for the purchase of a car with petrol engine capacity of up to 1,500 c.c once every seven years or a monthly car allowance of Rs 3,865 in lieu of duty remission;

b) loan facilities for the first purchase of a car equivalent to 21 months’ salary with interest at rate 4% per annum, refundable in 84 monthly instalments;

c) a monthly travelling allowance of Rs 11,500 or refund of mileage at the rate of Rs 6.50 per km together with a monthly commuted allowance of Rs 3,165 in case the officer performs official travelling during the month;

d) passage benefits at the rate of 5% of the annual salary drawn; and

e) refund of the full amount of annual subscription fee payable to the Council of Registered Professional Engineers of Mauritius.
