Vacancy for Post of Engineer/Senior Engineer (Civil) Ministry of Public Infrastructure and Land Transport (Land Transport Division – Traffic Management and Road Safety Unit)

Applications are invited from qualified candidates who wish to be considered for appointment as Engineer/Senior Engineer (Civil) in the Traffic Management and Road Safety Unit of the Land Transport Division of the Ministry of Public Infrastructure and Land Transport.

II. AGE LIMIT

Candidates, unless already in the Service, should not have reached their 40th birthday by the closing date for the submission of applications.

III. QUALIFICATIONS

Candidates should-

(a) be registered as Professional Engineer (Civil Engineering) with the Council of Registered Professional Engineers of Mauritius under Section 13 of Act No. 49 of 1965, as subsequently amended; and

(b) be computer literate.

NOTE

1. Candidates should produce written evidence of knowledge claimed.

2. Candidates should submit a copy of their registration certificate as Professional Engineer (Civil Engineering) together with their application form.

IV. DUTIES AND SALARY

1. To be responsible for the design, execution, supervision, monitoring and management of the implementation of road traffic and road safety projects and schemes as well as civil and highway engineering projects executed by either private contractors or in-house.

2. To guide, supervise and co-ordinate the work of the team under his responsibility.

3. To guide graduate engineers posted in the Ministry in their professional training.

4. To work in collaboration with other Engineers and officers working in the Unit as well as in the Ministry.

5. To advise other Ministries and Departments on matters relating to highway engineering, road traffic and road safety.

6. To conduct and participate in meetings/committees including those on sites, as and when required.
7. To certify claims for payment relating to civil works, and traffic and road safety schemes.

8. To prepare project write-up and tender documentation and evaluate tenders in accordance with the Public Procurement Act, regulations and guidelines.

9. To assist in the training of staff.

10. To prepare and submit progress reports, technical papers and any other written information to the Principal Engineer, as and when required.

11. To assist the Principal Engineer in taking decisions for the implementation of traffic management/road safety measures as well as civil and highway engineering projects.

12. To assist the Principal Engineer in the preparation of budget estimates for projects/schemes in traffic management/road safety as well as civil and highway engineering projects.

13. To ensure that the approval of the Client Ministry has been obtained prior to project implementation.

14. To submit factual materials/information related to traffic management/road safety to the Director (Civil Engineering), as and when required.

15. To perform all IT related duties.

16. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from Engineers/Senior Engineers (Civil) in the roles ascribed to them.

The permanent and pensionable post carries salary in scale Rs 27,425 x 750 – 29,675 x 900 – 34,175 x 1,200 – 37,775 x 1,500 – 55,775 a month plus salary compensation at approved rates.

V. **FRINGE BENEFITS**

Engineers/Senior Engineers (Civil) are entitled to the following benefits:

(a) 100% duty remission for the purchase of a car with petrol engine capacity of up to 1,500 c.c., once every seven years;

(b) loan facilities for the first purchase of a car equivalent to 21 months’ salary with interest at the prevailing repo rate refundable in 84 monthly instalments;

(c) a monthly travelling allowance of Rs 10,200 both for attending duty and for official travelling;

(d) passage benefits at the rate of 5% of the annual salary drawn; and

(e) refund of the full amount of annual subscription fee payable to the Council of Registered Professional Engineers of Mauritius.
VI. MODE OF APPLICATION

1. Qualified candidates should submit their application on PSC Form 7 which may be obtained either from the Enquiry Counter of the Ministry of Civil Service and Administrative Reforms, Ground Floor, Emmanuel Anquetil Building, Port Louis or from the Enquiry Counter of the Public Service Commission, 7, Louis Pasteur Street, Forest-Side or from the Chief Commissioner's Office, Port Mathurin, Rodrigues or from the offices of the Mauritius High Commission/Embassies overseas.

2. Candidates already in the service should submit their application in duplicate, the original to be sent directly to the Secretary, Public Service Commission and the duplicate through their respective Supervising/Responsible Officers.

3. This advertisement together with the application form (PSC Form 7) are available on the website of the Public Service Commission at http://psc.govmu.org

4. Candidates are encouraged to submit on-line application through the government web portal at http://www.govmu.org

5. Acknowledgement of applications will be made, as far as possible, by e-mail. Candidates are therefore advised to submit their e-mail address.

6. Candidates are also advised to read carefully the “NOTES AND INSTRUCTIONS TO CANDIDATES” before filling in the application form. Care should be taken to fill in the application form correctly. Incomplete, inadequate or inaccurate filling of the application form may entail elimination of the applicant.

VII. CLOSING DATE

Applications should reach the Secretary, Public Service Commission, 7, Louis Pasteur Street, Forest Side, not later than 3.00 p.m. on 15 February 2016.

Date: 26 January 2016
