Applications are invited from qualified candidates who wish to be considered for appointment as Technical Enforcement Officer in the Solid Waste Management Division of the Ministry of Environment, Sustainable Development and Disaster and Beach Management.

II. **AGE LIMIT**
Candidates, unless already in the Service, should not have reached their 40th birthday by the closing date for the submission of applications.

III. **QUALIFICATIONS**

A. Candidates should possess a diploma in Environmental Health or Sanitary Science or Solid Waste Management from a recognised institution or an equivalent qualification acceptable to the Public Service Commission.

B. Candidates should -

(i) have the ability to carry out inspection and enforcement duties;

(ii) possess good communication and interpersonal skills; and

(iii) be computer literate.

**NOTE**
Technical Enforcement Officers who possess the diploma in Environmental Health or Sanitary Science or Solid Waste Management from a recognised institution or an equivalent qualification acceptable to the Public Service Commission will be allowed to progress beyond the Qualification Bar (QB) provided in the salary scale for the post.

**Note**

1. The onus for the submission of equivalence of qualification (if applicable) from the relevant authorities rests on the candidates.

2. The Commission reserves the right to convene only the best qualified candidates for interview.
IV. DUTIES AND SALARY

1. To monitor cleaning/scavenging works contracted out to the private sector and Local Authorities.

2. To manage and control transfer stations, disposal facilities/temporary dumping sites and supervise the disposal of waste.

3. To supervise the cleaning and embellishment of beaches and ensure enforcement of public beaches regulations.

4. To examine and register waste carrier vehicles (Solid Waste) and ensure the enforcement of the Local Government (Dumping and Waste Carriers) Regulations and such other regulations in force under the Local Government Act.

5. To assist in the implementation of projects and programmes on Solid Waste Management.

6. To collect, compile and analyse data on Solid Waste.

7. To represent the Ministry on official committees in matters relating to cleaning/scavenging works and disposal of waste.

8. To supervise the disposal of condemned goods and hazardous waste.

10. To examine and register Waste Oil Carrier and ensure the enforcement of Waste Oil Regulations.

11. To enquire and report on complaints and appeals.

12. To act as Prosecutor on behalf of the Ministry, as and when required.

14. To use ICT in the performance of his duties.

15. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Technical Enforcement Officer in the roles ascribed to him.

Note

Technical Enforcement Officers will be required to work outside normal working hours including Saturdays, Sundays and Public Holidays and officially declared cyclone days.
