or

any environment related discipline

OR

an equivalent qualification acceptable to the Public Service Commission.
B. Candidates should –

(i) show awareness of environmental issues;

(ii) be able to communicate effectively; and

(iii) be computer literate.

NOTE

1. The onus for the submission of equivalence of qualification (if applicable) from the relevant authorities rests on the candidates.

2. The Commission reserves the right to convene only the best qualified candidates for interview.

IV. DUTIES AND SALARY

1. To perform the following duties –

(a) to examine and evaluate reports on environmental related issues submitted by different stakeholders and provide professional and technical advice accordingly;

(b) to provide technical input into the formation and review of policies, legislations, regulations, guidelines and procedures relating to environmental issues including Climate Change and Integrated Coastal Zone Management;

(c) to ensure consistent and professional application/implementation of all policies, conventions and legislations relating to environmental protection;

(d) to assist in the co-ordination of activities in connection with environmental disasters;

(e) to provide technical inputs and assist in the write-up of documents for projects;

(f) to assist in the planning, co-ordinating, monitoring and implementing environmental projects which are being executed for/or by the Ministry and provide reports on status and outcomes;

(g) to provide inputs in the preparation of budget and monitor expenditure to ensure works and programs are undertaken in a cost effective manner;

(h) to carry out site visits/surveys and organise meetings/workshops whenever required;

(i) to carry out impact assessment on environmental projects;
(j) to carry out pollution control, noise nuisance, air quality management and other environmental monitoring;

(k) to provide information and attend cases in Court and Tribunal or any other Environmental Institutions set up by law, whenever required;

(l) to record, examine and investigate environmental complaints and initiate any remedial action in compliance with the law;

(m) to carry out relevant research and analyse environmental issues and prepare appropriate reports thereon;

(n) to provide materials and assist in the preparation of briefs and other reports/documents on environmental issues;

(o) to develop and sustain partnership with groups, organisations and agencies in relation to environmental and Sustainable Development initiatives;

(p) to liaise and work collaboratively with the Police de l'Environnement and other stakeholders on environmental issues;

(q) to organise events and activities to raise awareness on environmental issues such as World Environment Day and World Ozone Day;

(r) to promote educational programmes and organise sensitisation programmes to enhance awareness on environmental issues to the target audience at relevant sites or through leaflets, websites, newsletters, etc.; and

(s) to act as secretary in technical committees.

2. To use ICT in the performance of his duties.

3. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Environment Officer in the roles ascribed to him.

**Note**

Environment Officers may be required to work outside normal working hours including Saturdays, Sundays and Public Holidays.

The permanent and pensionable post carries salary in scale Rs 24,425 x 750 – 29,675 x 900 – 34,175 x 1,200 – 37,775 x 1,500 – 52,775 a month plus salary compensation at approved rates.
V. MODE OF APPLICATION
