THE CONSTITUTION

Regulations made by the Public Service Commission under section 118(1) of the Constitution

1. These regulations may be cited as the Public Service Commission (Amendment) Regulations 2010.

2. In these regulations –

   “principal regulations” means the Public Service Commission Regulations.

3. Regulation 2 of the principal regulations is amended, in paragraph (1) –

   (a) in the definition of “appointment”, by inserting, after paragraph (a), the following new paragraph –

       (aa) the conferment upon a public officer, following a selection exercise, of a public office other than the office to which the public officer is substantively appointed;

   (b) in the definition of “responsible officer” –

       (i) in paragraph (c), by deleting the words “Island Secretary Commissioner” and replacing them by the words “Island Chief Executive”;

       (ii) in paragraph (d), by inserting, after the words “under which he is serving”, the words “or as may be otherwise designated by the Secretary to Cabinet and Head of the Civil Service”;

   (c) by inserting, after the definition of “salary”, the following new definition –

“scheme of service”, in relation to an office in the public service, means the scheme of service prescribed under regulation 15;

(d) by deleting the definition of “seniority” and replacing it by the following definition –

“seniority” means the relative seniority of officers and, except as may be otherwise provided by the Commission or in these regulations, shall be determined and shall be regarded as having always been determined as follows –

(a) as between officers of the same grade –

(i) by reference to the dates on which they respectively entered the grade;

(ii) in cases of appointment (including appointment on completion of training) or promotion, following a selection exercise, by reference to the order of merit determined by the Commission following that exercise, irrespective of the dates of their assumption of duty –

provided that –

(A) where any officer had been allowed by the Commission to assume duty more than 2 months after the date on which he was initially requested to do so, his seniority shall be determined by reference to the date of his assumption of duty, and where 2 or more such officers assumed duty on the same date, by
reference to their respective rank in the order of merit;

(B) in the case of a trainee, where the trainee assumed duty after the period referred to in sub-subparagraph (A) or, during his traineeship, had taken leave for a period exceeding the period referred to in sub-subparagraph (A) or where the aggregate of the period approved by the Commission and any leave taken during the traineeship exceeded 2 months, his seniority shall be determined by reference to the date of his appointment on completion of training, and where 2 or more such officers were appointed on the same date, their seniority shall be determined by their respective rank in the order of merit;

(b) as between officers promoted from one grade to another –

(i) by reference to the effective date of promotion and where 2 or more officers were promoted on the same date, their seniority shall be determined by reference to their relative seniority in the next lower grade;
(ii) where the promotion of 2 or more officers took effect from date of assumption of duty, by reference to their relative seniority in the next lower grade, irrespective of the dates of their assumption of duty –

provided that where any officer had been allowed by the Commission to assume duty more than 2 months after the date on which he was initially requested to do so, his seniority shall be determined by reference to the date of his assumption of duty;

(c) as between officers of different classes –

(i) by reference to the maximum point on their salary scales, a flat rate of salary being regarded for this purpose as a salary scale with a maximum point equivalent to the flat rate;

(ii) on the same salary scale or on the same maximum point on their salary scales or the same flat rate of salary, by reference to the effective dates of their appointment –

provided that –

(A) where any such officers in different classes were appointed or promoted in their respective grade or in their respective class on the same date, their seniority shall be determined by reference to their relative seniority in the next lower grade or class;
(B) in case the seniority remains the same after consideration of the matter specified in sub-subparagraph (A), by reference to their respective seniority in the second lower grade in their class or in different classes, and if need be, by reference to their seniority in further lower grades in their class or in different classes; and

(C) where the seniority remains the same, their relative seniority to each other shall be determined by reference to their respective ages:

Provided that when assessing the seniority of a pensionable public officer, unbroken service by himself or any other person in a non-pensionable capacity shall only be taken into account in so far as during such service the officer or other person concerned was fully qualified to serve in the grade or class in question on pensionable terms;

(e) by deleting the definition of “transfer” and replacing it by the following definition –

46A. (1) Where the Commission, in pursuance of section 89(2)(b)(i) of the Constitution, delegates its powers to enquire and report, in the case of any professional misconduct or negligence committed by a public officer in the performance of his duties, to any appropriate statutory disciplinary body, such delegation shall be subject to the conditions set out in this Part.

(2) The statutory disciplinary body, to which the Commission has delegated its powers, shall forthwith inform the Commission and, where the relevant responsible officer has not himself so informed the statutory disciplinary body, the relevant responsible officer, of any prima facie act of professional misconduct, malpractice, fraud, dishonesty, negligence or act constituting a breach of any applicable code of practice or ethics.

(3) (a) The responsible officer may, whether on being informed under paragraph (2), or after becoming aware of a report from any source that such an act or breach may have been committed –
(i) require a public officer to instantly cease to exercise the powers and functions of his office where he considers that it is in the interest of the public service to do so and shall forthwith apply for the covering approval of the Commission; and

(ii) decide to refer the act or breach under paragraph (2) to the statutory disciplinary body.

(a) refer the case to the Commissioner of Police who shall, promptly, take necessary action; and

(b) inform the Commission and the relevant responsible officer of the referral.

(6) Where the Director of Public Prosecutions does not advise prosecution but advises that disciplinary action should be taken against the public officer, the responsible officer shall seek the approval of the Commission thereon and refer the matter to the statutory disciplinary body which shall—

(a) proceed with disciplinary proceedings against the public officer in accordance with this Part; and

(b) inform the Commission and the relevant responsible officer of any action taken under subparagraph (a).

(b) details of any matter which, in the opinion of the statutory disciplinary body, aggravates or alleviates the gravity of the case; and

(c) a summing up and such comments as will indicate clearly the opinion of the statutory disciplinary body on the matter under inquiry.

(3) The statutory disciplinary body shall not make any recommendations regarding the form of punishment.

(4) The Commission, on considering the report of the statutory disciplinary body, may, where it is of the opinion that the report should be amplified in any way or that further investigation is desirable, refer the matter back to the statutory disciplinary body for further investigation and report within a period to be determined by the Commission.

(5) (a) The Commission, after consideration of the report of the statutory disciplinary body or of any further report called for under paragraph (4), shall determine the punishment, if any, which should be inflicted on the accused officer.
