

## PUBLIC SERVICE COMMISSION

### Sanitary Protocol - Interviews

To ensure the safety of candidates convened for interviews, a sanitary protocol has been established including, amongst others, the following measures.

- **Wearing of a face mask is mandatory.**
- **Only convened candidates will be allowed access at the Gate Post.**
- **Temperature screening will be carried out at the Gate Post.**
- **A limited number of candidates will be convened on a daily basis.**
- **Candidates should be in attendance 15 minutes before the scheduled interview time, as specified in the convocation letter.**
- **Social Distancing will be maintained through markings on the floor and the seats in the waiting room.**
- **Hand sanitisers will be available at the Gate Post, entrance of the Waiting Area of the Interview Block as well as in the Interview Rooms.**
- **Seats/desks in the waiting area as well as in the interview rooms will be sanitised on an ongoing basis.**
- **A team of officers will be readily available to give assistance to candidates regarding the sanitary measures put in place.**
