2/…

NOTE

1. Candidates should produce written evidence of experience/knowledge claimed.

2. **The onus for the submission of written evidence of experience/knowledge claimed and equivalence of qualification (if applicable) from the relevant authorities (Higher Education Commission or Mauritius Qualifications Authority) rests with the candidates. Applications will not be considered in case of non-submission of written evidence of experience/knowledge claimed and Equivalence Certificate, as appropriate, by the closing date.**

3. Candidates may be required to take part in a written examination.

4. The Commission reserves the right:

   (i) to convene **only** the best qualified candidates for interview; and

   (ii) not to make any appointment following this advertisement.

IV. ROLE AND RESPONSIBILITIES

To be responsible to the Technical Manager for the design, implementation, maintenance and monitoring of secure computer infrastructure in line with latest technology.

V. DUTIES AND SALARY

1. To design, implement, maintain, monitor and secure network solutions, architecture and topologies and propose improvements for the efficiency of existing networks within Government with the assistance of relevant stakeholders.

2. To design, implement, monitor, secure and manage the computer infrastructure of the Central Information Systems Division.

3. To install, configure, monitor and support network equipment to maximise network performance and security.

4. To assist in the procurement of network equipment and accessories and manage suppliers involved with network installation.

5. To advise on the upgrades of computer systems/networks maintained by the Central Information Systems Division staff.

6. To investigate faults reported in the Government ICT networks and propose solutions thereon.

7. To plan, install, secure, maintain, configure, upgrade Operating Systems and hardware infrastructure and carry out performance tuning and hardening thereon with the assistance of relevant stakeholders.

3/…

8. To perform such other duties directly related to the main duties listed above or related to the delivery of the output and results expected from the Network/Systems Infrastructure Analyst in the roles ascribed to him.

The permanent and pensionable post carries salary in scale Rs 52,300 x 1,100 – 54,500 x 1,450 – 58,850 x 1,750 – 62,350 x 1,850 – 67,900 x 1,900 – 75,500 x 2,250 – 86,750 a month.

However, for the year 2026, the discounted initial salary would be Rs 49,305.

VI. MODE OF APPLICATION

1. Qualified candidates should submit their application on **PSC Form 7** which may be obtained **either** from the Enquiry Counter of the Ministry of Public Service and Administrative Reforms, Ground Floor, Emmanuel Anquetil Building, Port Louis **or** from the Enquiry Counter of the Public Service Commission, 7, Louis Pasteur Street, Forest Side **or** from the Chief Commissioner's Office, Port Mathurin, Rodrigues **or** from the offices of the Mauritius High Commissions/Embassies overseas.

2. Candidates already in service **should** submit their Application Form **in duplicate**, the original to be sent directly to the Secretary, Public Service Commission and the duplicate through their respective Supervising Officer/Responsible Officer.

3. This advertisement together with the Application Form (PSC Form 7) are available on the website of the Public Service Commission at **https://psc.govmu.org**

4. Acknowledgement of applications will be made, as far as possible, by **e-mail**. Candidates are, therefore, advised to submit their e-mail address.

5. Candidates are also advised to read carefully the **"NOTES AND INSTRUCTIONS TO CANDIDATES"** before filling in the Application Form. Care should be taken to fill in the Application Form correctly. **Incomplete, inadequate or inaccurate filling of the Application Form may entail elimination of the candidate**.
